

# PERSIAPAN PROYEK

MIKE YULIANA  
MOCHAMMAD ZEN SAMSONO HADI

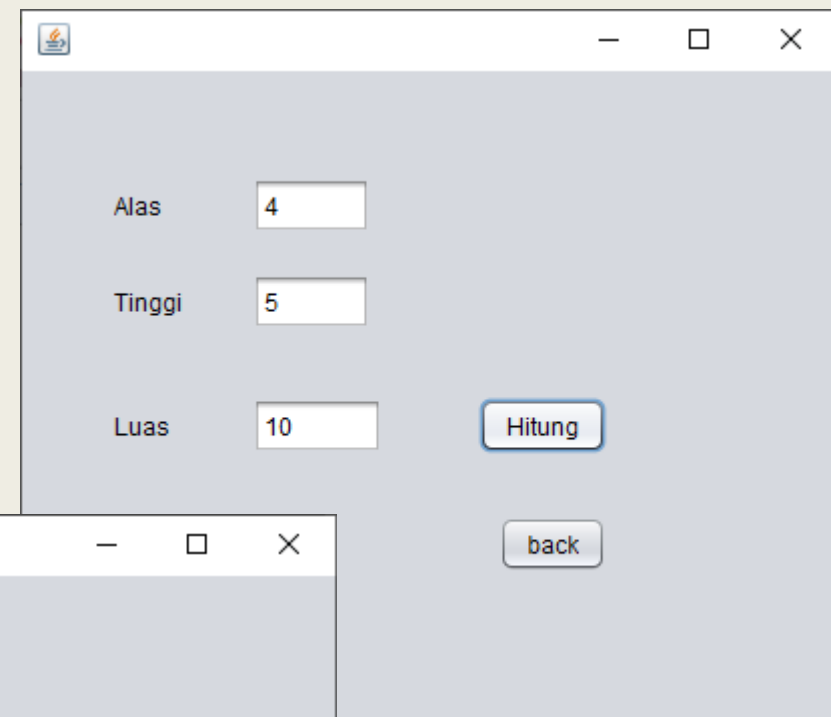

Satua.java

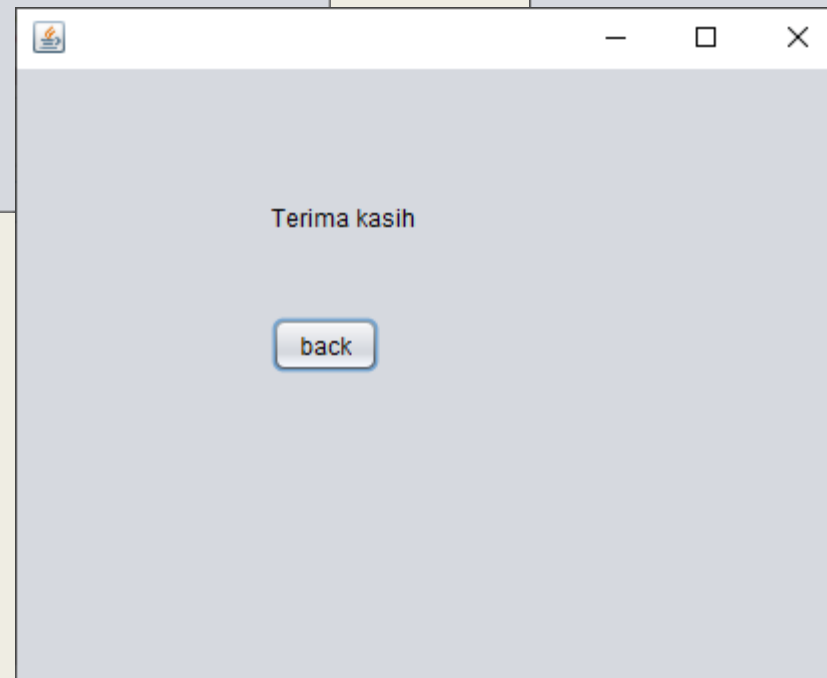

A Java Swing window titled "Satua.java" with a standard Mac OS X title bar (red, yellow, green buttons). The window has a light blue background. At the top center, the text "LUAS BANGUN DATAR" is displayed. Below this, on the left side, there are two radio button options: "Segitiga" (which is selected) and "Persegipanjang". On the right side, there is a "Next" button.

dua.java

A Java Swing window titled "dua.java" with a standard Mac OS X title bar. The window has a light blue background. It contains three input fields with labels to their left: "Alas" with the value "4", "Tinggi" with the value "5", and "Luas" with the value "10". To the right of these fields are two buttons: "Hitung" and "back".

tiga.java

A Java Swing window titled "tiga.java" with a standard Mac OS X title bar. The window has a light blue background. In the center, the text "Terima kasih" is displayed. Below this text is a single "back" button.
